

We currently listen to K-LOVE on FM91.1 and were appalled to hear that you are considering allowing LPFM stations to take priority over FM stations. K-LOVE is the only station we listen to as it is family friendly, keeps us informed of local events and does not have any advertising. Should we not be able to hear K-LOVE because of your proposed change, our lives would be dramatically impacted as there are no other stations that provide Christian support in the way they do. I believe the service provided by K-LOVE is in the public interest as it is about the only positive and encouraging radio station available to us in this area today. PLEASE don't give the LPFM stations priority.
